"KEEPING UP APPEARANCES SEASON 1" - BBC ENCORE RUN -

Britain's most determined social climber, Hyacinth Bucket (pronounced 'bouquet') battles to make the world a better place – in her opinion! Hyacinth goes to incredible lengths in her quest for perfection. She is so obsessed with etiquette and breeding that she makes her husband Richard's life a perfect misery. Hyacinth's endless campaign to improve the world by being the standard-bearer of good manners and fine behavior invariably leads to her utter humiliation at the failings of her social inferiors.
