**(KSU) "THE LIFE CYCLE OF COACHING" - PREMIERE -**

"THE LIFE CYCLE OF COACHING" is a documentary from Kansas State University that shows how coaches make an impact on young athletes. Brooks Barta is the featured coach; he grew up as the son of legendary coach Roger Barta and was in the locker room at a very young age. Barta played for K-State during the early years of the Bill Snyder era and is the 2nd all-time leading tackler for the Wildcats. Brooks is entering his 30th year as Holton High School (KS) head football coach; follow along as we dive in to how he creates the next generation of coaches.
